NOTABLE INCIDENTS:

- **21:30 HRS Start of Patrol.**
- **21:55 HRS 400 Block Castro Street – Noise Nuisance (415):** While moving cars along from double parking and blocking the bus stop lane, a couple of guys were getting a little loud. One MA, dark complexion, seemed very intoxicated leaning on the light pole for support. He was wearing dark shorts, a black polo shirt, stood about 5'5", and was bald. The other WMA with him was wearing a

black hat, salmon colored shirt and gray shorts. We walked over to make sure they knew each other and that there was no intention of assault as the WMA was holding the intoxicated MA up. The confirmed that they knew each other and were just waiting for their uber to arrive. Disposition: NCR

- **22:06 HRS 400 Block Castro Street – Parking Violation (587):** Silver 4 door Nissan with CA License plate of [REDACTED] pulled up and parked right in front of a store, directly in front of a fire hydrant and partially in the crosswalk of Castro and 18th Street. The driver, MA mid 20s apparently got out to buy something in Walgreens while MFA sat in the passenger seat waiting in the car. By the time we noticed the man was already inside. We told the MFA, also mid 20s, wearing a white t-shirt and smoking, that they could not just park in the red fire hydrant zone to do some quick shopping. We took down their license and she told us to go ahead and send a ticket, that they wouldn't get it anyway because the car is not registered and continued to run her mouth a bit more. The man was in Walgreens for maybe 10 minutes and when he came out he made a U-turn on a red light, in a crosswalk, partially into the intersection, over a double yellow line.. Disposition: ADV
- **22:24 HRS 00 Block Hartford Street – Trespass (601):** Suspicious MA sitting on steps of a residence on Hartford possibly eating. He was wearing a red ball cap, jeans, a gray zip up hoodie sweatshirt, and had short facial hair. As we walked up he began to collect what little he had laid out as it looked like he was eating something. We asked if he lived at the residence and he said no. We quickly explained that he was not allowed to be on the steps of private property and that he would have to move. While we were explaining he was already complying with our request. Disposition: ADV

He had a green pants, a yellow blanket, blue sweatshirt, sandals, and a black jacket, and log scruffy hair. We asked him to move as he was not allowed to sleep on the property of the library where it is posted as no trespassing. He began to get up and complied. Disposition: ADV
- **22:42 HRS One Jose Sarria Ct. – Trespass (601):** MA wrapped in a green blanket lying on a black travel bag. We asked him to move per the no trespassing signs posted but he did not comply.
