CCOP PATROL REPORT: SATURDAY 07/11/2015

Roving Foot Patrol (RFP) - 21:30-24:00

CCOP Patrollers have donated a total of 858 hours to the community year to date.

CASTRO CARES 10b OFFICER: 10b Officer worked an earlier shift.

CONDITIONS:

Overcast skies, moderate, temperature in low 60s. There were moderate numbers of people in the streets. The crowd was well-behaved for the most part with very few people sleeping on sidewalks.

NOTABLE INCIDENTS:

NOTE: This was the first patrol in which all team members were equipped with body cameras.

- **21:30 HRS Start of Patrol.**

- **22:17 HRS, Noe Street at 18th, Wellbeing check (910):** WMA about 40 years old sitting next to the bakery/café building. He indicated that he did not need medical attention and declined a call for the HOT van. Disposition: NCR
- **22:35 HRS, Castro Theatre Parking Lot, Trespass (601):** LMA was sitting in a black utility vehicle at the northwest end of the parking lot with his windows open. We asked whether he was coming or going, and he said that he was about to leave. We explained the reason that the City does not allow lingering in the parking lot and he said that he understood and did not intend to stay. Disposition: ADV
- **23:12 HRS, Walgreens Parking Lot, Public Urination (153):** A BMA, mid 30s was urinating in the northwest corner where the new SFAF building meets the apartment building. He was admonished and apologized. We explained that he would have received a citation if the SFPD officer had been the one to come upon him. Disposition: ADM
- **23:14 HRS, Walgreens Parking Lot, Trespass (601):** Two WMA mid 20s were standing in the lot, talking. When the trespassing rules were explained, they said they were about to leave. They entered a parked automobile several minutes later and left. There was a possibility that they had been drinking to the point of DUI, but there was not enough evidence nor time to alert SFPD traffic enforcement. Disposition: ADV
- **23:15 HRS, Walgreens Parking Lot, Trespass (601):** WFA, early 30s was sitting in a black vehicle with the windows down and music playing. We explained the trespass rules and she claimed that she was waiting for her boyfriend who was picking up a prescription at the Walgreens store. We allowed her to remain with the understanding that she would need to exit the lot if she intended to stay for a longer period of time. Disposition: ADV
- **23:23 HRS, Badlands Bar 4121 18th Street, Assault, Domestic (240 DV):** As we stood on the southwest corner at 18th and Castro, we observed a WMA strike another WMA in the face in front of the flower store. Both were in their mid 20s. PSP Officer Taswell, who was on fixed patrol at Badlands, was on the scene almost immediately, and separated the two subjects. During the interview, the one who had thrown the punch said that they were from New York, were engaged to be married, and was upset that the second WMA had been flirting in a sexual manner with strangers inside the bar. In addition to the strike to the face, he had also thrown the second subject's cell phone into the street. Both men appeared to be intoxicated. As neither wished to press charges and neither required medical treatment, Officer Taswell admonished them to leave the neighborhood with the warning that if there was any more trouble, they would be arrested and sent to jail. The first subject told the officer that he "...could not be

arrested because he was a doctor.” This did not dissuade Officer Taswell from insisting that they leave the area. Disposition: ADM

About 10 minutes later we found that both subjects were standing on the southwest corner of 18th and Castro Streets. We asked why they were still there after the warning. They said that they were waiting for an Uber ride, and it was scheduled to pick them up at the Badlands bar. We instructed them to talk to Officer Taswell again so that he would not follow up on his warning that they were likely to be placed into custody. The first subject again stated that he could not be arrested because of his profession. We explained that his title did not excuse Domestic Violence and that DV crimes were taken seriously in San Francisco. Disposition: ADV

23:55 HRS, END OF PATROL

OTHER ITEMS OF NOTE:

Passing Calls: During the patrol we made passing calls at Café, Badlands, Q-Bar, 440 Bar, 7-11, Noe Valley Market at 19th and Hartford, 17th Noe Liquor, and the liquor store at Market and Castro. We also made checks of Collingwood Park, the Library on 17th and Pond, and the Muni underground station.
