TEAM #1 Roving Foot Patrol (RFP) 19:00-21:00

CONDITIONS:

Clear and Cold

NOTABLE INCIDENTS:

- 19:40 Collingwood Tennis Court. Well-being check (910)- WMA sitting on the ground by the tennis courts at Collingwood and 19th Street. He did not seem homeless. We approached him and asked if he was ok or if he needed any kind of medical attention. He said that he was fine and that he was just taking a break to eat some cookies after drinking at the bar. We left him alone and wished him a good night. Disposition: NCR.
- 19:49 Walgreens Parking Lot. Trespass (601)- WMA wearing glasses sitting in his 4 door black prius Lic# [REDACTED] listening to the radio. We got his attention and advised him to leave in his car or leave his car in the lot as he is not allowed to loiter in the lot due to safety concerns. He agreed and left the lot. Disposition: ADV.
- 20:23 334 Noe Street. Illegal Parking Violation (587)- WMA sitting in his car looking down at his phone in a dark closed off area where the trash bin for maybe Fitness SF is. 4 door License#

██████████. We went up to the window and told him that where he was not a parking spot but actually the handicap loading/unloading area. He said that he was waiting for his friend getting tacos. We just told him that it was not safe for him to be in that dark area with his face down at his bright phone screen and plus he was parked illegally anyway. He got the hint and left the spot he was parked at. Disposition: ADV.

· 20:30 2324 Market Street. Well-being Check (910)- WFA sitting in the doorway of a condo/apartment complex who looked like she was preparing to do some sort of drug but then told us she was just writing on her arm. She seemed to be kind of out of it already but we had a brief conversation with her. We asked if she needed medical attention or homeless outreach for shelter. She declined all services but asked if we had a blanket. We explained that we did not but that's possibly something that she could get at the fire station. We pointed out to her that she was right in front of a doorway and that it probably wasn't safe for her or any residents if she stayed there and we asked her to move. After a little chit chat and her gathering her items, she left that location. Disposition: HAN.

· 20:41 2332 Market Street. Well-being check (910)- WMA sleeping under some umbrellas. We woke him and told him we wanted to check on his well-being to make sure he was alive. He confirmed he was okay and thanked us. We asked if he needed any Medical attention or H.O.T. and he declined both services. Disposition: NCR.

· 21:15 Harvey Milk Plaza. Smoking in a restricted area (SFHC 191)- HMA smoking in Harvey Milk Plaza near the bike rack to the side of the Soul Cycle entrance. We spotted him and informed him that there was no smoking allowed in the plaza which is indicated by the bricks layed on the ground and asked him to move while he smoked. He began to walk but didn't leave the plaza. He took a couple more puffs and put out the cigarette. Disposition: ADM.
