There was a white van double parked on 18th street facing west blocking lots of cars back to the stop sign and making people have to drive into the oncoming lane. We approached the vehicle and talked to the HFA in the driver's seat. We told her that she could not stop there and was blocking traffic. She said she was waiting for someone and we said that it didn't matter and she wasn't allowed to stop in the road. She left and then another lyft car did the same thing and we moved him along as well. Disposition: ADM.

· **22:51 Castro Theater Parking Lot. Loitering-** A white 4 door Ford car Lic# [REDACTED] was parked in the parking lot, WMA inside. Loitering-** A BFA was sitting in the passenger seat of a 4 door Acura Lic# [REDACTED] in the handicap parking space with no indication of handicap placard or license plates. We told her that she could not be in the car in the lot and especially not illegally parked in the handicap space. He declined so we told him that he was sleeping in front of the no trespassing sign and asked him to move. He wouldn't move so we contacted Patrol Special. John came by and began talking to the individual. After a little bit of talking the man asked to be taken into shelter. He got his information, name: Larry, age: 65, and got on the radio to ask for a van to pick the gentleman up.
